§ 21.4259 Suspension or disapproval.

(a) The appropriate State approving agency, after approving any course:

(1) May suspend the approval of the course for new enrollments for a period not to exceed 60 days to allow the institution to correct any deficiencies, if the evidence of record establishes that the course fails to meet any of the requirements for approval.

(2) Will immediately disapprove the course, if any of the requirements for approval are not being met and the deficiency cannot be corrected within a period of 60 days.

(3) Upon suspension or disapproval, the State approving agency will notify the school by certified or registered letter with a return receipt secured (38 U.S.C. 3679). It is incumbent upon the State approving agency to determine the conduct of courses and to take immediate appropriate action in each case in which it is found that the conduct of a course in any manner fails to comply with the requirements for approval.

(b) Each State approving agency will immediately notify the Department of Veterans Affairs of each course which it has suspended or disapproved.

(c) The Department of Veterans Affairs will suspend approval for or disapprove courses under conditions specified in paragraph (a) of this section where it functions for the State approving agency. See § 21.4150(c).

(d) The Department of Veterans Affairs will immediately notify the State approving agency in each case of Department of Veterans Affairs suspension or disapproval of any school under Chapter 31.

§ 21.4260 Courses in foreign countries.

(a) *Approval of postsecondary courses in foreign countries.* (1) In order to be approved a postsecondary course offered in a foreign country must meet all the provisions of this paragraph. A course offered by a foreign medical school (other than one located in Canada) must also meet all of the provisions of paragraph (b) of this section.

(i) The educational institution offering the course is an institution of higher learning, and

(ii) The course leads to a standard college degree or its equivalent.

(2) For the purpose of this paragraph, a degree is the equivalent of a standard college degree when the program leading to the degree has the same entrance requirements as one leading to a degree granted by a public degree-granting institution of higher learning in that country.

(b) *Approval of courses offered by a foreign medical school.* In addition to meeting all the criteria stated in paragraph (a) of this section, a course offered by a foreign medical school (other than one located in Canada) must also meet all of the following criteria:

(1) The school satisfies the criteria for listing as a medical school in the World Directory of Medical Schools published by the World Health Organization (WHO).

(2) The evaluating bodies (such as medical associations or educational agencies) whose views are considered relevant by the Director, Education Service, and which are located in the same country as the school—

(i) Recognize the school as a medical school, and

(ii) Approve the school.

(3) The school provides, and in the normal course requires its students to complete, a program of clinical and classroom instruction at least 32 months long. This program must be—

(i) Supervised closely by members of the school's faculty, and

(ii) Provided either.

(A) Outside the United States in facilities adequately equipped and staffed to afford students comprehensive clinical and classroom medical instruction, or

(B) Inside the United States, through a training program for foreign medical
